Jane Carter Solution

Taking care of naturally curly hair can get expensive. Especially if you choose to use all natural products. One line of all natural products that is reasonably priced and works well for me, is [Jane Carter Solution](#). The products are designed for dry hair and are made of natural butters, and certified organic essential oils.

They are available on the [Jane Carter Solution](#) website and are currently on web sale through [Vitamin Shoppe](#). Here are a few of my favorites from this line:

Nutrient Replenishing Conditioner VS Web Sale Price: \$9.99

This conditioner works really well to detangle and moisturize hair.

Revitalizing Leave In Conditioner VS Web Sale Price: \$6.99

This product is pretty good for refreshing second day curls. It's a very light leave in and combines well with gel or curl creme.

Nourish and Shine VS Web Sale Price: \$17.99

Nourish and Shine brings dry hair back to life. It's like a pomade. Only a teeny amount is needed to moisturize curls. It's great for getting rid of the *crunchy* feeling of hair gel.
