Beautiful hairstyle! In order to place your hair in bantu knots, do you need Bobby Pins to hold the knots in place? Or how do you get the hair to stay in place?

Jane Carter Solution Twist & Lock
It has shea butter in it too so it leaves your hair soft and shiny!

aaahhh thank you so much. I have natural hair and as a girl with thick hair i have never been given too many hair options. I always wanted to do something like this so thank you so much.

My hair is naturel also, and about the same lenth as you're! 😊
I've done bantu knots in it also, and it looks great without damaging my hair with heat!
I also plait it small at night to pull out, to get a lovely crinkly effect! 😊
